

**Foxboro Stonehaven HOA
Long-Term Parking Permit Application**

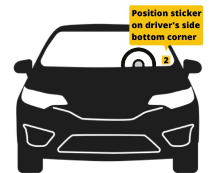

Please fill out the application and return to management either by mail or by email. The deadline for permit applications is **5:00 PM on December 31st**.

If there are more applications than there are permits available, there will be a lottery. All applications received before the December 31st deadline will be eligible for the lottery. Any remaining permits after the lottery will be issued on a first come first server basis to remaining applications in the order they were received. Unfilled applications will be placed on a waiting list in the order they were received.

All fields are required, as well as 4 pictures of your vehicle that includes the license plate (front, back, and one of each side). Only full and complete applications will be accepted.

Please note that if you rent, you must attach a copy of your lease agreement to be eligible for a permit. Sub-letters are not allowed to apply for parking permits.

If issued a permit, it will be valid until December 31st of the year displayed on the permit regardless of the date of issue.

Permits need to be attached to the lower left corner of the windshield on the drivers side by the steering wheel (see image).
