

**Foxboro Stonehaven HOA
Visitor Parking Permit Application**

Please fill out the application completely. If approved, you will receive the permit by email. You will need to print the permit and attach it to the lower left corner of the windshield on the drivers side by the steering wheel (see image). Place it completely up against the glass so the code can be read by a mobile scanner.

There is no cost for Overnight Visitor Parking Permits when parking for less than fourteen (14) days. Parking for longer than fourteen (14) days classifies you as a resident and a minimum \$20.00 per month parking fee will apply.

Once the permit is approved (and paid for, if necessary), it can take up to 1 hour to receive the permit.

Management is available to handle these requests from Monday through Friday 9:00am to 5:00pm.
